6 is greater than 3  
3 is less than 6

Find which nest has less eggs.

Nest 1

It has 4 eggs.

Nest 2

It has 5 eggs.

4 Eggs means 4 ones.

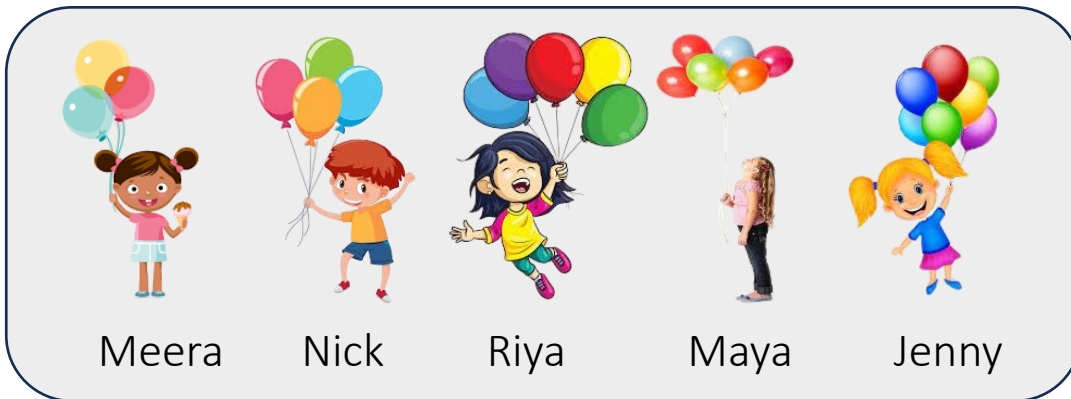

5 Eggs means 5 ones.

Nest 1 has **less** eggs than nest 2.

Nest 2 has **more** eggs than nest 1.

4 is less than 5  
5 is greater than 4

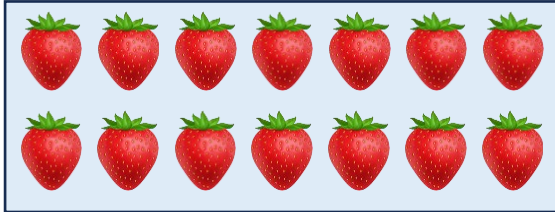

Let us find who got more balloons.

- Meera 3 balloons
- Nick 4 balloons
- Jenny 7 balloons
- Riya 5 balloons
- Maya 6 balloons

- Meera  has **less** balloons than maya. 
- Nick  has **more** balloons than Meera. 
- Jenny  has **more** balloons than Riya. 
- Riya  has **less** balloons than Jenny. 
- Maya  has **more** balloons than nick. 

Ram and Renu are brother and sister. They went to garden and picked fruits. Let's see who picked more fruits?

Ram

Ram picked 14 strawberries.

Renu

Renu picked 14 mangoes.

14 fruits ---> 14 ones.  
14 equals to 14

Both Ram and Renu picked 14 fruits.  
They picked equal number of fruits.

**This is the list of math marks. Let us compare the marks.**

Name	Math marks
Arjun	90
Nila	96
Leela	95
Aakash	100
Lidiya	90

- Arjun (90) has less marks than Nila (96).
- Leela (95) has less marks than Aakash (100).
- Aakash (100) has more marks than Lidiya (90).
- Nila has (96) more marks than Arjun (90).
