

Time with Sun and Moon

Parts of a day	Image	Description	Activities
Morning		The sun is rising in the sky.	Get up from bed, brushing, bathing, eating breakfast, going to school
Afternoon		The sun is in the middle of the sky.	Coming to home from school, eating lunch
Evening		The sun is low in the sky that is sunset.	Playing with friends, complete the homework
Night		The moon and stars are in the sky and sky is getting dark.	Have dinner and going to sleep

Time with Sun and Moon

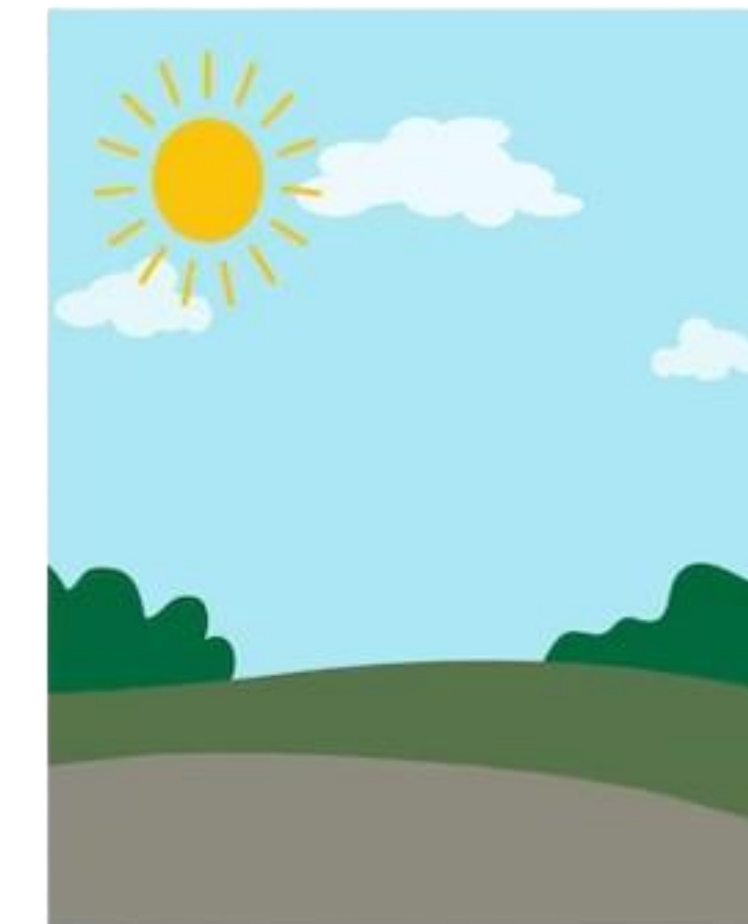

Whole day is divided into two format,

- Day
- Night

Day

Day time is when there is sun-light and we play, study, and eat.

Night

Night time is when it is dark and we go to sleep. The moon and stars shine at night.
