Counting backward in number line
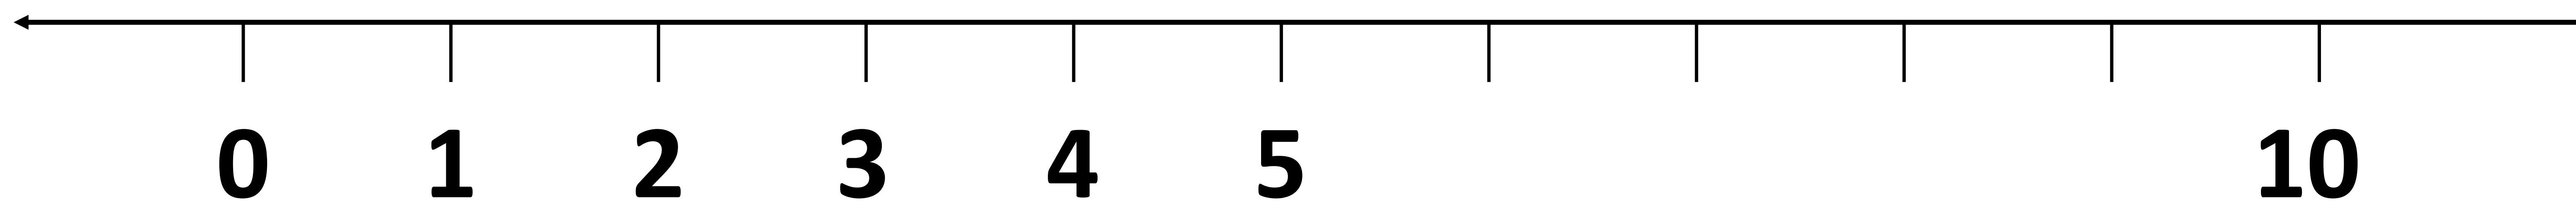

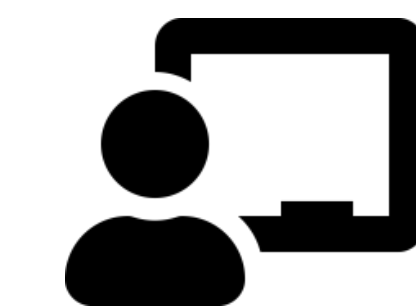

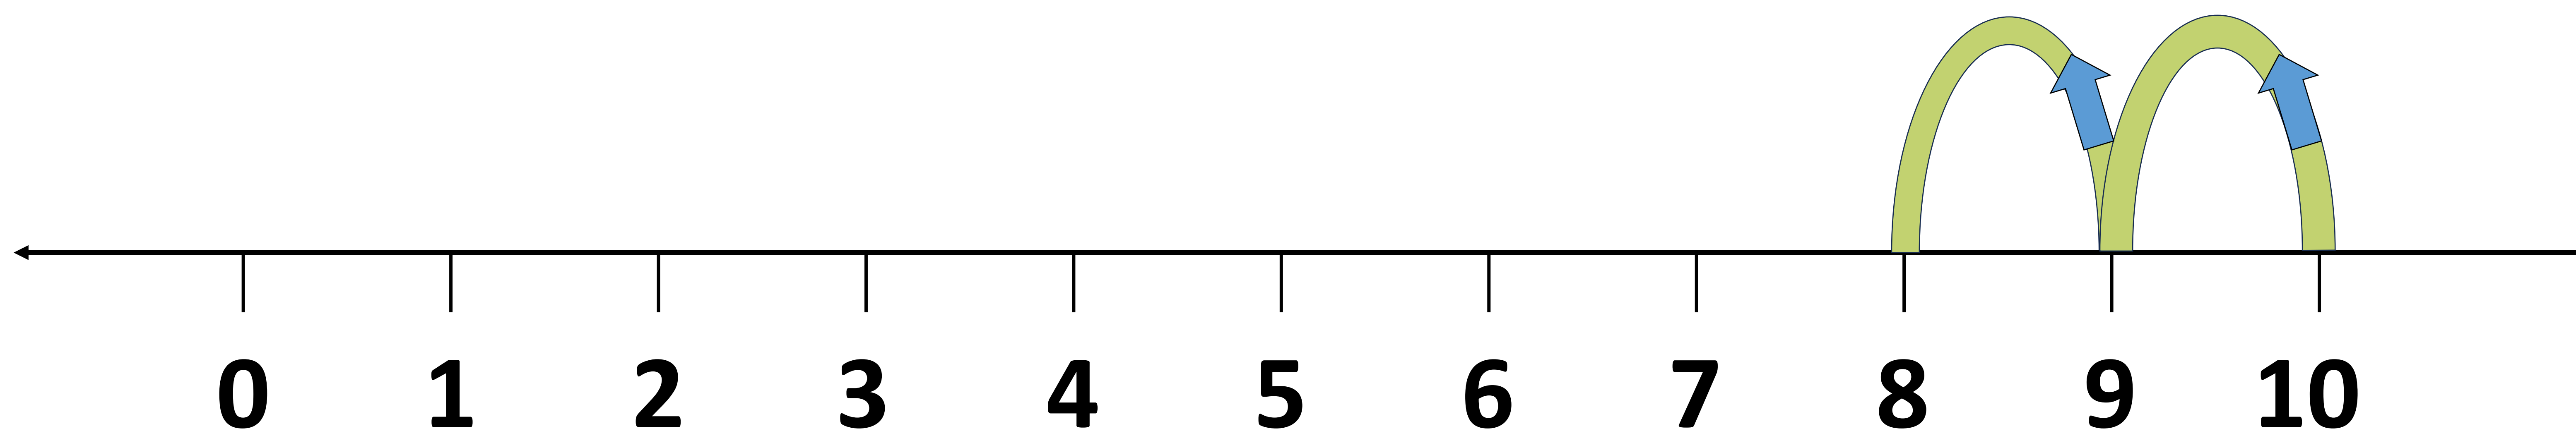

Find the numbers
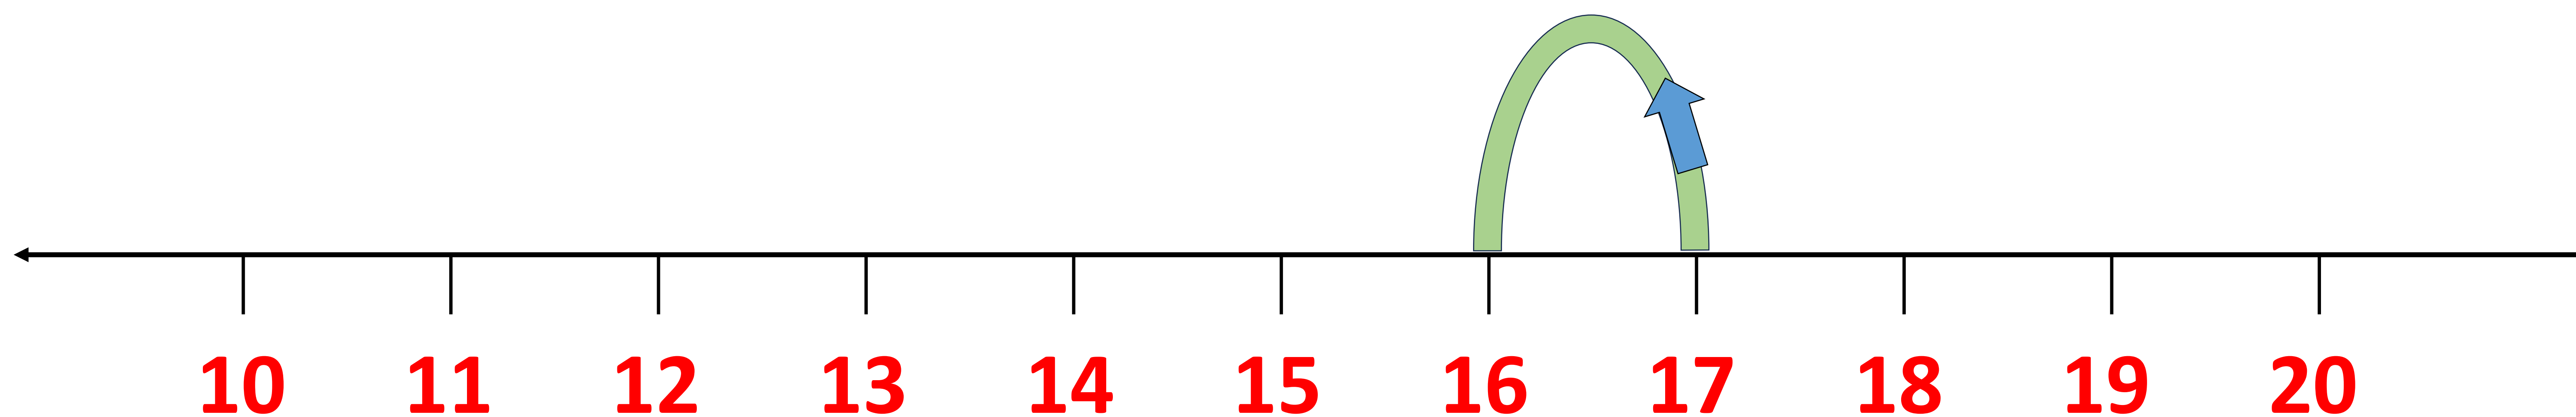

0   1   2   3   4   5   10

Draw curves on the number line that approach 5 in the backward direction.

Curve starting from 10

0   1   2   3   4   5   6   7   8   9   10

Draw curves on the number line that approach 10 in the backward direction.

Curve starting from 17

10 11 12 13 14 15 16 17 18 19 20

Draw curves on the number line that approach 15 in the backward direction.

Curve starting from 45

0   5   10   15   20   25   30   35   40   45   50

Draw curves on the number line that approach 75 in the backward direction.

Curve starting from 100

50   55   60   65   70   75   80   85   90   95   100
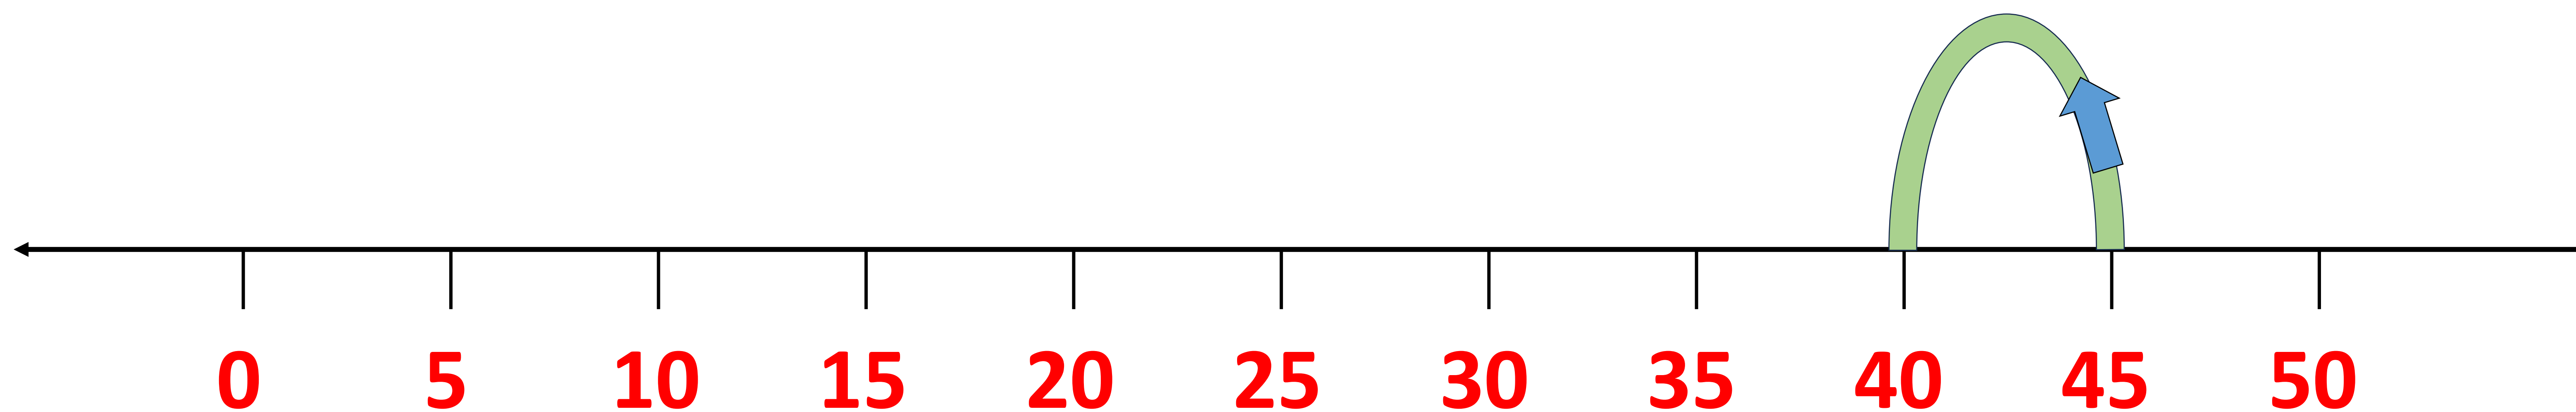

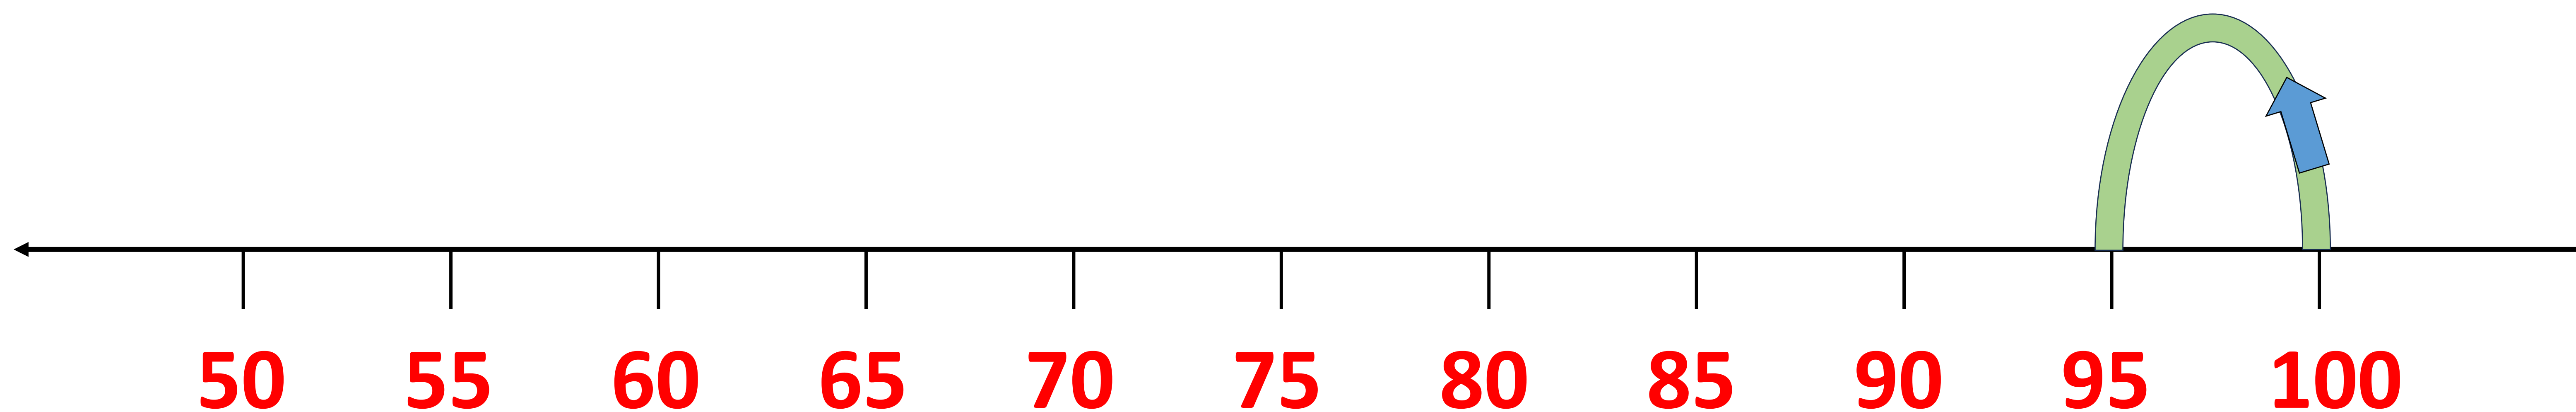

Draw curves on the number line that approach 20 in the backward direction.

Curve starting from 100
