

Make a number Using Subtractions

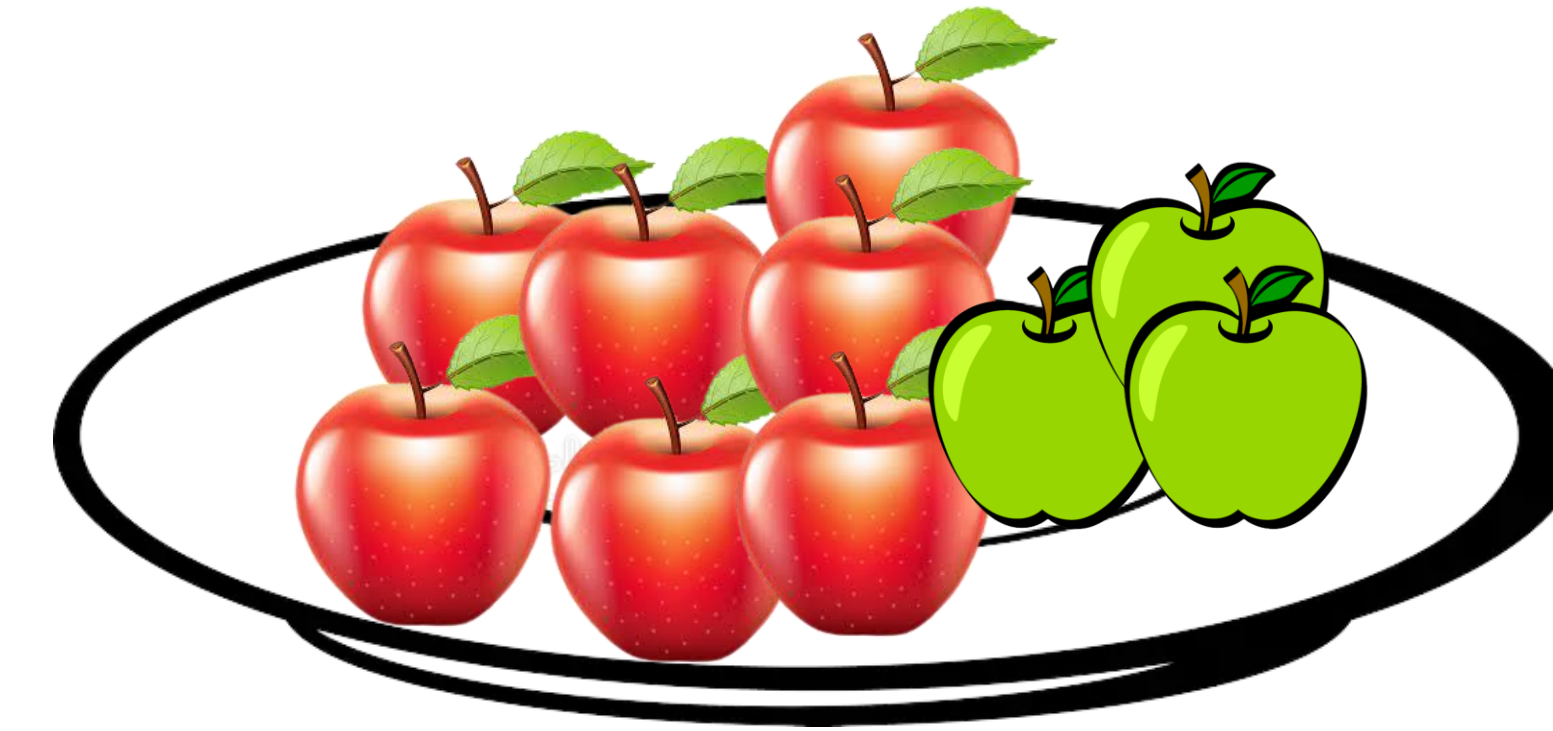

Plate 1

7 apples

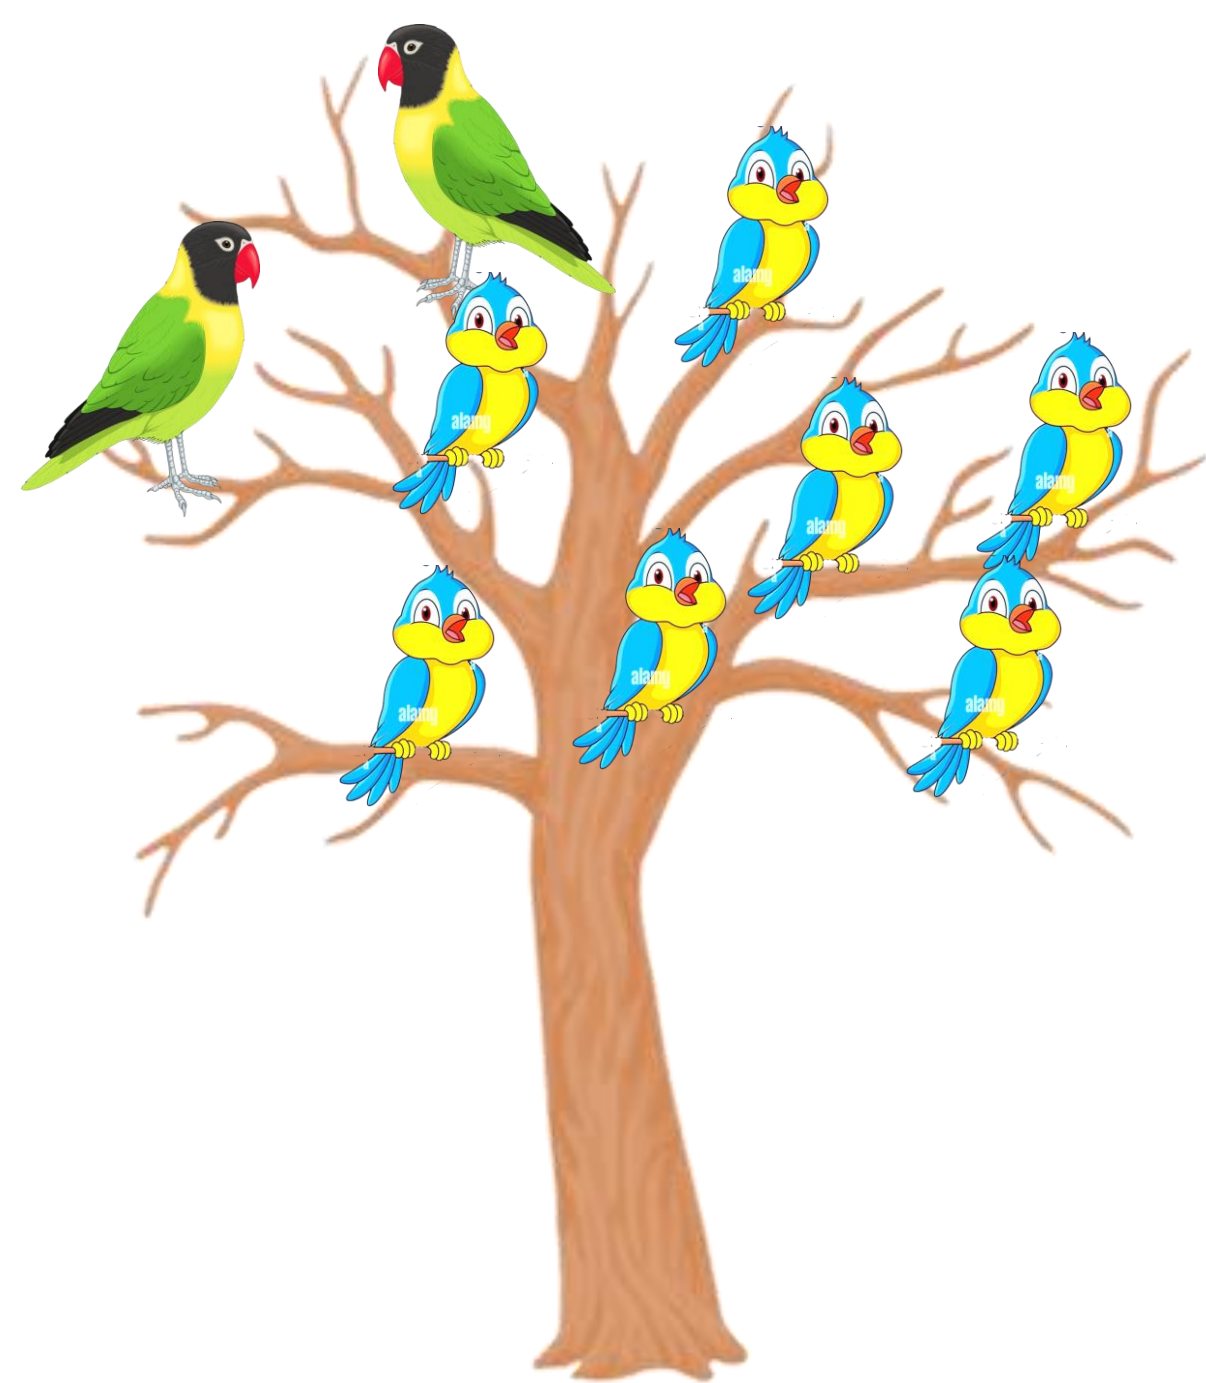

Plate 2

10 apples

This girl is going to eat all the red apples. How many green apples will be left on both plates?

2 birds flew away. How many birds will be left?

5 birds flew away. How many birds will be left?

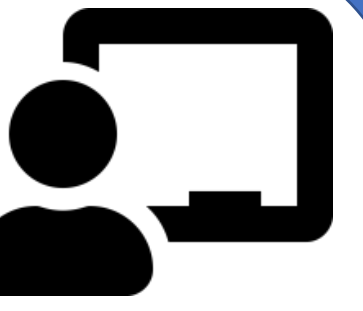

One frog left the pond. How many frogs will remain in the pond?

After 4 fish died, how many fish were left?

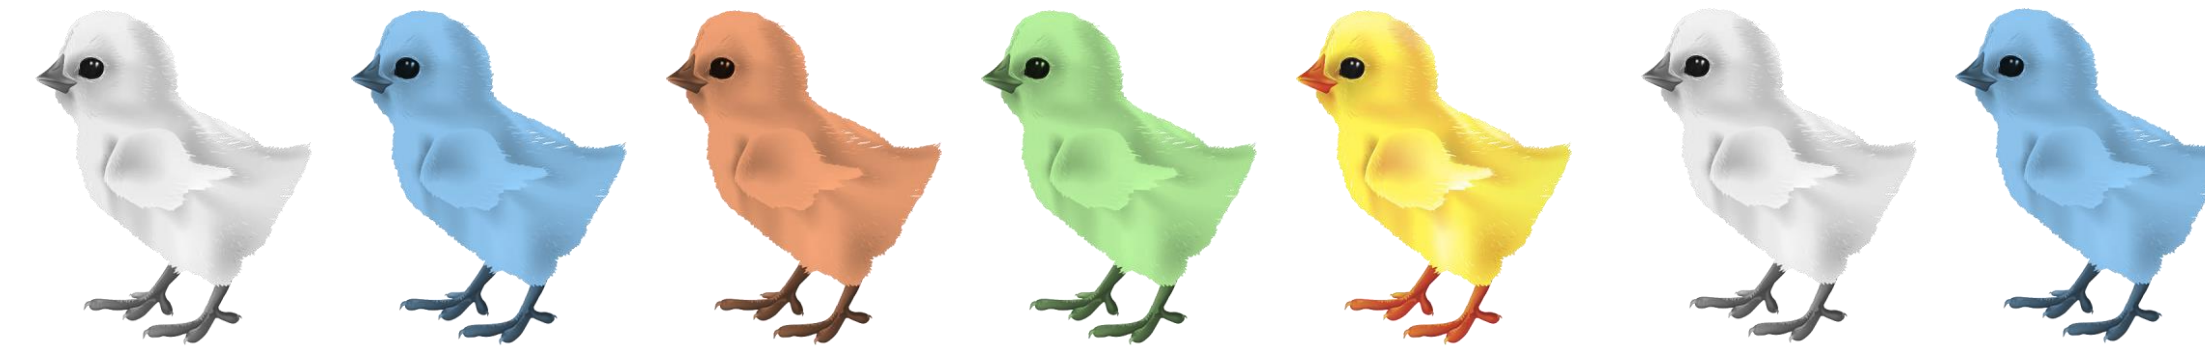

How many eggs will be left after hatching?

Hen 1

12 eggs

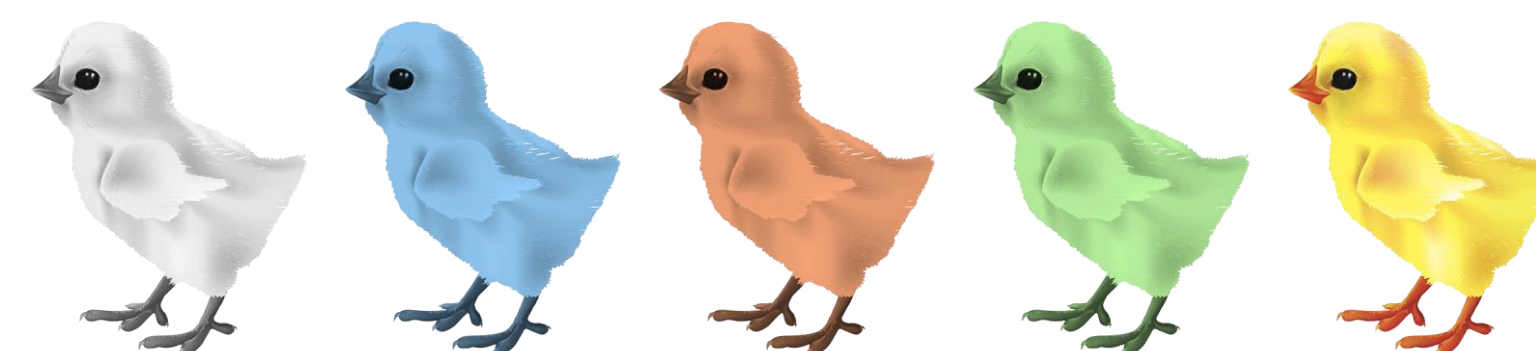

7 chicks

$$12 - 7 = ?$$

Hen 2

10 eggs

5 chicks

$$10 - 5 = ?$$

Make the number 15
